WITMARSUM

An Annual Publication
of
Bethany Christian High School
Goshen, Indiana

Larry Mann
Business Manager

Foreword

This annual depicts the various aspects of school life - students, administration, classes, and activities - and tries to show you that new vistas are received by the sensitive student, that new doors are opened up.

Are you one of those who have been curious about the name "Witmarsum"? Witmarsum, Switzerland, was the birthplace of Menno Simons, who was to become a great Anabaptist leader. While he was a Catholic priest, he began to study the Bible and find the truth. Because of his experience at Witmarsum, the word "Witmarsum" should challenge us to live a more holy and consecrated life.

Special thanks belong to the other members of the Witmarsum staff for their very helpful assistance, to Mr. Don Snyder and Mr. Culp for taking many, many pictures, to faculty members for their understanding and encouragement, and to others too numerous to mention who had a part in producing the 1962 Witmarsum.

If you, in browsing through this yearbook, get a sense of the purpose of this year's annual, we will feel our time and efforts worthwhile.

From Bethany Christian High School proceed the people and events which make Bethany what she is - a door to academic and Christian training.

One of the very influential personalities who helped bring Bethany into being was Harold S. Bender, who died on September 18, 1962.

In Memoriam

We shall always remember Brother Bender as one who has done much for the Church. Especially will we remember his great vision and concern for a Christian high school in this area. We are gratefully indebted to him for his part in making this school a reality.

Yes, we shall always be grateful for Brother Bender's concern for us, the youth of Indiana-Michigan Conference, and although he has left this earth, may his work live on.

Students and Alumni

From the Superintendent

It has been a pleasure to have you as a student at Bethany Christian High School. Your teachers have given you basic skills and insights which will be of immense value to you in the years ahead. You are now ready to pass a significant mile post. The Witmarsum will give you a backward glance of your school life, reviewing for you some of the joy as well as the toil of the past years.

Forward is the look of youth. Herein is one of your greatest assets. For "without a vision we perish." The Apostle spoke of it as "pressing toward the mark of the prize of the high calling in Christ." To the measure your life is yielded to God's will, to that measure you will succeed in God's purpose for your life. The prayers of the faculty shall attend you as you go forth. May God bless you.

Sincerely,

John S. Steiner

September 6 was the first official day of school. Sixty-seven juniors eagerly anticipated the activities of the school year.

We remember the delicious fish and the aching feet of the fish fries and the hurry-scurry of the Junior-Senior banquet. The desire to please was foremost in our minds.

We look back - our memories heighten our anticipation of next year.

We are the sophomores of Bethany. We increased our class membership this year by nine students. This set our total at 53 with the boys outnumbered 32 to 21.

In working toward our senior trip we had a bake sale and collected class dues. We also got experience in the fish fry business while helping with the junior fish fry.

We find that studying is now a dire necessity since more is expected of us. You find us tearing our hair over algebra problems, constantly practicing for music, and complaining about World History tests.

Our greenness is now a thing of the past to us, and although you hear us complain of growing pains we are looking forward to our next two years.

The freshman class has 48 members: 25 girls and 23 boys.

It took us a few weeks to become accustomed to high school life, but apart from the foolish mistakes some of us made, we enjoyed every minute of it.

Although at the first of the year there was a lot of talk about the freshmen who were always losing their way from one classroom to the other, we are finding our way now and are looking forward to entering many more activities next year when we are sophomores.

All of us want to thank the faculty and some of the students for helping to make this year so enjoyable.

Most of the activities of the German classes were in the form of daily class discussions and homework. Vacations always seemed to come on our club days.

One activity of the German Club this year was listening to records of German music. We also enjoyed the visit of Miss Bärbel Ewert from Berlin, Germany, a student at Goshen College Biblical Seminary.

A play to carol to German or German-speaking people had to be canceled, but in March we were able to have a German supper.

Any student who is enrolled in Spanish or who speaks Spanish may join the club. The meetings are planned to create more interest in our Spanish neighbors and therefore make our study of the language more enjoyable.

One word which would very well describe our meetings is variety. We have seen slides of Puerto Rico, enjoyed a Spanish supper, and had a successful riot at our piñata party. In the month of December we went Christmas caroling to Spanish-speaking families in the Milford area, and in March we visited a Spanish church in Chicago.

We made the red-and-white striped weskits we're wearing in the picture. At our meetings several true-to-life experiences and skits on nursing and first-aid were given. They proved to be quite interesting and humorous. We hope that of our forty-one members a high percentage will become nurses and that every member will practice good home-nursing skills.

Autographs

Dear Sharon,
To a swell kid
in the 7 reshmen
class. Remember all
the good times at B.C.H.S.
and those "choir" practices" at
church. I'm looking forward
to seeing you next year.
Be good!
Leona

Dear Sharon,
It's been so good to have
learned to know you this year
at B.C.H.S. (as if I didn't know you before)
Anyway it's been good to have you around
Keep up the good work. You don't want me to fill
the page so I won't.
"Best Wishes,"
Verda
